UPDATED: August 2021

AMBULATORY VETERINARY TECHNICIANS WANTED!

Veterinary Technicians at Miller & Associates are given a great deal of responsibility and autonomy. Their roles include scheduling and assisting veterinarians, administering medical and physical therapy treatments, performing lab work, and being intimately involved in inventory management. Our technicians are an essential feature in every facet of the practice. They work well both independently and in group settings.

JOB REQUIREMENTS:

These positions generally require a six-month commitment in either Wellington, FL or Ocala, FL for the months of November through April. Summers will be based primarily in the northeast. There is extensive travel with these positions to multiple horse shows and out of town clients.

QUALIFICATIONS:

Eligible candidates for this role must be experienced, excellent horse handlers. Prior equine veterinary technician experience is strongly preferred. Flexibility and willingness to travel are essential qualities in a candidate.

BENEFITS:

This is a full-time hourly position that is overtime eligible.

Compensation is dependent on experience.

Company housing or a housing stipend provided for time spent in Florida.

Company sponsored health insurance is provided.

Paid time off is provided annually.

401K options are available upon hire.
