

UPDATED: November 2021

AMBULATORY VETERINARY TECHNICIAN WANTED!

We are seeking a motivated, energetic candidate for a technician role based in Hampton Bays, NY with a seasonal commitment to Wellington, FL.

Veterinary Technicians at Miller & Associates are given a great deal of responsibility and autonomy. Their roles include scheduling and assisting veterinarians, administering medical and physical therapy treatments, performing lab work, and being intimately involved in inventory management. Our technicians are an essential feature in every facet of the practice. They work well independently and together as a group.

JOB REQUIREMENTS:

This position requires a 6 month commitment in Wellington, Florida for the months of November through April. Summers will be based primarily in Hampton Bays, NY.

QUALIFICATIONS:

Eligible candidates for this role must be experienced excellent horse handlers, and prior equine veterinary technician experience is strongly preferred. Flexibility and willingness to travel are essential qualities in a candidate. Veterinary technician licensure is not required.

BENEFITS:

This is a full-time hourly position that is overtime eligible.

Compensation is dependent on experience. Entry-level compensation begins at \$18 per hour.

Housing stipends or company housing options are offered for the required Florida commitment.

Employer-sponsored health insurance is provided.

Paid time off is provided annually.

401K options are available upon hire.

TO APPLY:
